What did you do during the holidays?	What did Santa bring you?	What did you have for dinner on Christmas Eve?	Did you miss going to school?	What do you like most about Christmas?	What do you like least about Christmas?
					What did you play at Christmas?
Was this Christmas different?	Did you do homework?	Who were you with on Christmas Day?	What did you have for lunch on Christmas Day?	Did you talk with your classmates?	Who were you with on Christmas Eve?
Have you seen your classmates?					
Did you see any classmates?	Did you send any postcards?	Did you visit any Christmas market?	Did you eat nougat?	What did you have for dinner on New Year's Eve?	Who were you with on New Year's Eve?
					Did you sing carols?
Did you see any Christmas movies?	Do you have any Christmas traditions?	Did you decorate your house for Christmas?	What did The Three Kings bring you?	Did you make any Christmas crafts?	Do you like Christmas?
