e.g. A boy and a girl found a big egg under a tree. They put the egg in the nest. The mother bird came back. The children were happy.

e.g. One day Emma and Robert went for a walk in the forest. They found an enormous egg on the ground under a big tree. They could see a big nest in the tree so Emma decided to climb the tree. She put the egg back in the nest. They were both happy when they saw the mother fly back. It was an eagle's nest.
