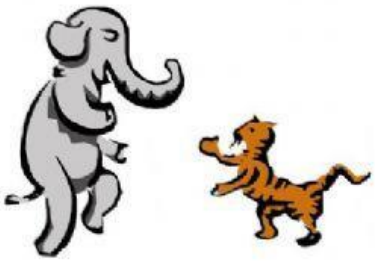
Beginning

When the animals in the forest saw what the elephant did, they were very happy and everybody wanted to have such a big friend.

Middle



A long time ago, an elephant wondered into a forest to search for friends. He found many animals but none wanted to be its friend because he was too big.

Ending

One day, he found a tiger scaring all the animals in the forest so he decided to save them by giving the tiger give a hefty kick. And the frightened tiger ran away from there.
