How to Avoid a Traffic Jam

It is common to get stuck in traffic jams in big cities, so here are some tips to help you avoid them.

Firsly, avoid travelling during rush hour. You should know when rush hour takes place in your city then avoid it.

Secondly, learn other routes to get to your destination, You should use other routes that will take you to your destination. Sometimes you simply cannot avoid travelling during rush hour, but find new routes online to avoid the overcrowed roads.

Thirdly, listen to the radio for traffic alerts and updates. You never know when an accident or roadworks may delay you. If you hear about a possible interruption, choose a different route.

LIVEWORKSHEETS

Finally, use public transportation when possible. If more people use public transportation, there will be less traffic on the roads. Public transport can not only save you money and time, but **it** can also help reduce air pollution.
