Currently, Can Tho University trains 91 undergraduate programs (including 2 advanced training programs, and 8 high-quality training programs), 51 graduate programs (of which 1 program is affiliated with a foreign country, 3 programs are taught in English) and 19 programs for Ph.D candidates. Every year, CTU also accepts students from foreign universities (United States, Belgium, Japan, etc.) to study at CTU within the framework of the cooperation agreement between the two sides.

The training period at CTU is from 4 to 5 years for bachelor and engineer training programs, according to the credit system. The training program includes the first three semesters for common subjects of all programs and basic subjects for each program; The remaining semesters are devoted to basic knowledge and **expertise** for the training program. In addition to specialized training, CTU also equips students with soft skills and specialized knowledge to prepare for when **they** graduate through short-term training courses.

LIVEWORKSHEETS

Important skills to support future work such as foreign language skills, information technology, pedagogical skills, etc. CTU's training quality is constantly being improved, the facilities to serve the learning needs of students are relatively complete, and lecturers have applied many new appropriate teaching methods.
