Valentine's Day.

Valentine's Day is on February 14. It is a day about love and friendship.

People give cards, flowers, and chocolates to people they like.Some people give gifts to their friends, not only to boyfriends or girlfriends.

At school, children sometimes make Valentine cards in class. They write kind words like "You are my friend" or "Have a nice day."

Some people spend this day with their family.Others meet friends, watch a movie, or eat something sweet.

Valentine's Day is a good day to be kind and say thank you to people you love
