Read the text. Circle the correct answer.

I live in a small town near the mountains. It is a quiet and beautiful place with clean streets and friendly people. There is a big market where we buy fresh fruits and vegetables. The town also has a small zoo with different animals like monkeys and parrots. On weekends, I play with my friends in the park. We enjoy the fresh air and have fun. My town may be small, but I love it because it is peaceful and full of happy memories.
