Bella the Brave Dog

In August 2019, Mr Green and his daughter Anna were camping near a forest. While they were walking, their dog, Bella, ran after a rabbit and got lost. Mr Green and Anna called her name, but Bella did not come back.

Bella walked through the forest and felt very hungry. She found a small river and drank some water. After that, she stayed near a road. The next morning, a farmer saw Bella and gave her some food. He then called an animal shelter.

The shelter staff checked Bella's collar and contacted Mr Green. Later that day, Bella was taken back home. Mr Green and Anna were very relieved to see her again.

My Family's House

My family lives in a small but comfortable house. It is not very big, but it has everything we need for daily life. There are four main rooms in the house: a living room, a kitchen, a bedroom, and a bathroom.

The living room is the most important room in our house. There is a sofa, a small table, and a television. Sometimes, my parents read books on the sofa while I watch TV. We do not eat in the living room because we want to keep it clean and tidy.

The kitchen is next to the living room. In the kitchen, there is a fridge to keep food fresh, a cooker to prepare meals, and a cupboard to store dishes. My mother cooks dinner there every evening, and I often help her set the table.

My bedroom is my favourite place. It is small, but very quiet. There is a bed, a desk, and a lamp in my room. I usually do my homework at the desk and read books before going to bed.

I like my house because it is comfortable and helps my family spend time together.
