Hello! My name is Alex, and I am a Matthayom 1 student. I want to tell you about my daily routine and my school.

Every weekday, I wake up at 6:00 AM. I get dressed in my school uniform. My family and I have breakfast together at 6:30 AM. I usually ride my bicycle to school with my friend, David. We arrive at school at 7:30 AM.

My favorite subject is science because I love doing experiments. We learn about plants and animals. My least favorite subject is mathematics because the numbers are difficult for me. Our classroom is on the first floor. There is a big whiteboard at the front and a map of the world on the wall. My desk is next to the window.

At noon, we have lunch at the cafeteria on the second floor. After lunch, I like to go to the library to read books. School finishes at 3:30 PM. After school, I don't go home right away. On Mondays and Wednesdays, I play basketball with the school team. On other days, I go to the computer club. In the evening, I have dinner and watch TV before I go to bed at 9:30 PM.
