Stay your [ ] eyes on course

I can feel the [ ] shine on my face
Did I disappoint you?
Will they still let me over
If I cross the line?

THE LINE

[ ]
I [ ] I was fully prepared for
The threshold in [ ]
Stay your pretty eyes on [ ]
I guess I never really faced my [ ]

So stay with me because
My body's on the line now
Pull the [ ] tight now
I can feel the light shine on my face
Did I disappoint you?
Will they still let me over
If I cross the line?
Please, don't let them see me
Sure there's nothing left to try
I can feel the light shine on my face
Did I disappoint you?
Will they still let me over
If I cross the line?
If I cross the line
If I cross the line
