Daniel

It was fun!

I went to summer camp in July, and I stayed for a week. It was great! One day, we went canoeing. We also rode on a zipline across the lake. It was fun! Then we went horseback riding in the mountains for two days. We didn't sleep in a tent. We built a shelter, and we slept in it. It was scary, and I didn't sleep a lot! We also cooked on a campfire. I had a great time at summer camp. I made a lot of friends and didn't want to come home. I want to go to summer camp next year!
