Support diverse learning styles

Self-assessment skills

Timely feedback

Creates positive learning environment

Pedagogical Value of Formative Assessment

Supports learning

-
- Visibility of errors/achievements
- Development through practice

Develops self-reflection

- Students analyze learning process
-
- Increased students autonomy

Individualizes teaching

- Teacher adapts lessons to needs
-
- Facilitates differentiated instruction

Increases motivation

- Feedback focused on effort (not just results)
- Students see real progress
-
