1. Baker: Can I get you some dessert today, Miss?

Baker: Anything else?

Christine: No thanks.

Christine: Yes, please! Could O order five chocolate squares and a lemon cake?

Christine: Yes, but not a lot of sugar, thanks.

Baker: I'm sorry, We don't have many squares left.

Christine: I can take the cake then. Could I have some coffee?

Baker: Yes, we have a lot of fresh coffee! Do you take milk and sugar?
