Examen final inglés INFORMÁTICA

Reading: escribe T o F.

Tom is a first-year **IT** student.
He uses his laptop every day to study. First, he logs in with his username and password. Tom usually searches for information using a search engine, but he also uses a **browser** to open websites for his classes. He stores all his projects in the cloud and always saves his work before closing the programs. Tom is very careful with security: he has antivirus software on his laptop and never opens strange e-mails. He knows that phishing messages can be dangerous. At school, Tom works with other students. They download resources from the class website and upload their assignments for the teacher.
When Tom finishes studying, he logs out an turn off the laptop.
