A - Cardiff Castle

I'm Mark and I live in Cardiff, a city in Wales. It's a great city, there are cinemas, museums and big shopping centres. There's a big park in the centre of the city where you can cycle and skate. The top tourist attraction in my city is Cardiff Castle, next to the big park. A lot of tourists come from all over the world to visit this ancient building. They can take a tour and eat delicious Welsh cakes! I often go there to learn more about its history, there are always new exhibitions.

B - The Sagrada Familia

My name's Sara and I'm from Spain. I live in Barcelona. My city is famous for its food, culture and buildings. One of the top tourist attractions is a church, the Sagrada Familia. It is the symbol of my city. But it's not finished yet, over 100 years after they started building it!
Quiet days here are few and far between. There are always a lot of tourists, particularly on Saturdays and Sundays, so I never go there at the weekend.

C - Pyramids of Egypt

I'm Amina and I'm from Giza in Cairo. The top tourist attraction in my city is the Great Pyramid of Giza. It is one of the Seven Wonders of the Ancient World. My dad is a tour guide, so I always visit the pyramid every year on my birthday. The Great Pyramid has got three big rooms and my favourite is the King's Chamber. Here you can see the tombs.
Many tourists from different parts of the world come to visit the pyramid. My dad speaks five languages!
