Blinding smile and prada
Your teary eyes are so disarming
We had a chance to clean the
I know you're here to tell me something

If you wanna leave
I ain't gonna
You make my heart bleed Look into my eyes

Goddamn
I've been drinking all day
I found a bad way of curing my
How can I get you outta my head?
I bet you still wanna get back in my bed

I still remember
Your favourite
We had enough
Baby it doesn't matter
I still remember your pretty face in my camera roll
We gotta let it go

If you wanna leave
I ain't gonna lie
You make my heart
Look into my eyes
