There is one example.

**Girl:** Look at this picture of a party. Can I colour it?

**Man:** OK. Do you want to colour a glass?

**Girl:** A glass?

**Man:** Yes. Colour the one in front of the girl with straight hair.

**Girl:** Right. I'm colouring it orange now.

**Can you see the orange glass? This is an example.**

**Now you listen and colour and write.**

**1**

**Man:** I think they're drinking juice. Can you see the bottle?
