Anna's Neighbourhood Event

Anna is a sociable and organized woman who helps run events in her neighbourhood. Although she is quite modest about her achievements, she is very determined when it comes to helping others. Even when people disagree with her ideas and become hostile, Anna remains optimistic and calm.

Last weekend, Anna was over the moon because the old sports hall was finally converted to a community centre. The opening event was so successful that it even made the news. Anna was also very decisive, as she had to make quick decisions when problems appeared.

During the event, a delivery van was blocked in by parked cars. Anna helped the driver pull the van out, and together they dragged the heavy boxes to the storage room. Thanks to her positive attitude, the event ended successfully.
