Assessment Rubric

This course evaluates students through the development of the four main English language skills: speaking, reading, listening, and grammar/writing. Each unit integrates these skills through engaging and age-appropriate activities.

Unit	Topic	Speaking	Reading	Listening	Grammar /Writing
Unit 1	Colors	Names and identifies colors orally	Recognizes color words	Listens and matches colors	Writes simple color words
Unit 2	Numbers	Counts from 1 to 10	Identifies numbers from 1 to 10	Listens and count	Writes numbers correctly
Unit 3	Daily Routine	Describes daily actions	Reads simple routines	Understands daily routine instructions	Writes simple sentences about routines
Unit 4	Healthy Habits	Talks about good habits	Reads short phrases about habits	Identifies healthy habits through listening	Writes simple habit-related sentences
Unit 5	Healthy Food	Names and describes food	Reads food vocabulary	Identifies food through listening	Writes simple food-related sentences

Activity Icons Explanation

Throughout the ebook, icons are used to represent the type of skill being practiced in each activity. These visual aids help students quickly identify whether they are working on speaking, reading, listening, or grammar/writing tasks.

This system promotes autonomy and allows both teachers and learners to focus on specific language skills in a clear and engaging way.
