From: Rosen To: Amaya

Subject: Let's play! SEND

Hi Amaya,

I know on Sundays you always play board games at home, but what about playing outside this weekend? Do you want to go bowling at the park with my family?

Bowling is fun and easy. Usually there are four players on two teams. You only need a ball and some cans or bottles made of glass.

A player throws a ball at the bottles. You score one point when you hit a bottle and it falls to the ground. The team who hits all the bottles first wins.

What do you think? You can be my bowling partner!

Bye!
