A TRIP TO REMEMBER

game animals outside important skyscrapers pedaling

virtual workshop old-fashioned polluted unhappy

Abi loves playing _____ tennis on her tablet, but her Grandma encourages her to play outside for fresh air. On her birthday, Abi visits Grandma's _____ and discovers an _____purple bike. Curious, she starts _____ forward and is suddenly transported to the future.
In this future, Abi finds a world filled with _____ and flying cars, but there are no trees, grass, or _____. The air is _____, the sky is grey, and even the robots don't know what nature is. Feeling _____, Abi pedals backward to return home.
Back in the present, Abi receives a new time-travel _____ from Grandma. However, having seen a future without nature, she chooses to go _____ and play real tennis with her Grandma instead, realizing that real life is just as _____ as virtual games.
