St. Patrick's day

Ireland

St. Patrick's Day is the national holiday in Ireland. People all over the world celebrate this special day, too. It is celebrated on the 17th of March. Saint Patrick is the patron saint of Ireland.

Shamrock

On St. Patrick's Day, people usually wear green clothes and take part in parades. They eat traditional Irish food: corned beef and cabbage. The traditional symbols are the shamrock, the harp and the leprechaun. Leprechauns are small Irish fairies who live in the forests. They make shoes and they have lots of gold, but they are unfriendly.
