Modal Verbs

CAN, COULD, MUST, SHOULD (OUGHT TO), WILL, WOULD, MAY, MIGHT, NEED´T, *HAVE to*

USAGE =se llaman modales porque no tienen pasados (could) ni futuros como los verbos normales (eat,drink,play,dstudy etc) ; es decir no se conjugan, se niegan y se hacen preguntas con ellos mismos(Can she play piano?= No, she cannot play paino), nunca van dos modales seguidos (i will can study medicine the next year) additionally they don´t have TO after

Have to es un semi-modal, necesita de un verbo axuliar para negar o hacer preguntas

(does she have to study for the exam? = No,she doesn't have to estady for the exam)
