My Family Picnic

Sara and her family went to a park last Friday. She brought her favorite sandwiches and juice. Her brother Adam carried his football and kite. Their parents packed their picnic basket early in the morning.

At the park, Sara played with her friends near the lake. Adam flew his kite high in the sky. Their mother took many photos with her camera, and their father read his book under a tree.

Later, the family ate lunch together. Sara shared her cookies with everyone. Adam forgot his water bottle on the grass, but Sara helped him find it.

At the end of the day, the family said, "We enjoyed our picnic very much!"
