Teaching Action Plan: Reading Strategies in Regular Units

1. **My Goals (What I plan to do first)**
   Please drag one action you want to take after this seminar:

   _____

Master and review the reading strategies introduced from MJ9–12.
Test and practice the ways of solving reading problems from MJ13–16.
Apply 1 or 2 taught strategies in the Dialogue/Reading section.
Use 1 or 2 untaught strategies in the Dialogue/Reading section.

2. **Strategies & Ways to Try**
   Which strategies or ways would you like to use first in your class?
   *Reading Strategies

Predicting	Identifying the Topic	Skimming
Making Connections	Scanning	Inferring
Summarizing	Monitoring	

- Strategy: _____

  Reason: _____

*Ways to solve reading problems

Read the sentence or paragraph again.	Ask question
Look for clues in the nearby sentences	Use my own experience to guess
Look for clues in the topic sentence or concluding sentence	
Use tools, like a dictionary or the Internet.	

- Way:_____

  Reason: _____

Take a photo or screenshot of your results and upload it to the 'Teacher Empowerment' Line OpenChat for a chance to win the lucky draw.
