Writing / TEST 1

WRITING TEST INSTRUCTIONS

This writing test has two parts:

You have **45 minutes** to complete both parts.

Your response to both parts should be **written in this book.**

You will not be graded on the appearance of your paper, but your **handwriting must be readable.**

You may change or correct your writing, but you should not recopy your entire response.

1. When the examiner tells you to, **begin Task 1.**

2. When you are done with Task 1, **continue on to Task 2.**

DO NOT BEGIN UNTIL THE EXAMINER TELLS YOU TO.

_____

LIVEWORKSHEETS

Writing Task 2

ESSAY:

- Write paragraphs to answer the question.
- Write about 1 to 2 pages. Your test will be marked down if it is extremely short.

Some people believe workers should have to retire, or stop working, at a certain age. Other people believe that older people's experiences can help a company. Do you think there should be a required retirement age? Explain, giving specific reasons for your choice.
