Fill in the blanks choosing the correct word from those given in brackets.

The doctor ran and ran till he reached a friend's house.
.....1(Immediate / Immediately) he smeared oil all over 2(himself / hisself) and took a bath. He changed into fresh clothes. The next morning at 3(above / about) eight-thirty he took his friend and one or two others to his room to 4(move / moving) his things from there. But they found 5(they / them) had little to carry. Some thief had removed most of his things. The room had been 6(clean / cleaned) out! But not really, the thief had left behind his dirty vest as a final insult.
