A fun day!

Read the text and drag the correct pictures into the empty cells in the table.

My name is Ann. I have a big and funny family. We all do different things on different days! On Monday my dad plays games with me. On Tuesday my mum reads books to my little brother. On Wednesday my sister sings songs in her room. On Thursday I draw pictures for my grandma. On Friday we all watch TV together. On Saturday my dad runs in the park. On Sunday we all jump on the trampoline. It's so cool!

I love my family!
