## Marge Goes to the Supermarket

It's a Sunday afternoon and Marge needs groceries for the upcoming week. She must be sure to have enough for her, her spouse John, and her three children, Sue, Robert, and Mary. The supermarket closes at 9:00 PM.

At 3:00 PM, Robert has soccer practice, and Marge has to pick up her son from practice at 5:00 PM. Mary has an appointment with her tutor at 6:00 PM.

John's brother, Alex, will be stopping by for dinner sometime between 7:00 PM and 7:30 PM. Alex is allergic to shellfish, and Marge must be sure to remember that. Marge is planning to cook chicken, beans, and rice. She also is thinking about making a cherry pie.
