M Read the article. Then answer the questions.

My name's Leandro and I live with my wife Bruna and our three children in Oregon.

We have two sons, Gabriel who's 17 and studying at high school, and Sebastian who's 14 and he's starting high school in September. Our daughter Bella, the youngest, is 7 and she goes to elementary school.

My wife Bruna is a dentist and she works very hard. Bruna and I met in college and we've been married for 18 years. I'm a photographer and I take sports photos for a marketing and advertising agency. I've had a few different jobs and I've changed jobs many times. I've worked as a project manager and as a receptionist. Being a photographer is much more creative and I think it's probably the best job I've ever had.

I love traveling but I've never traveled to another country. When I was younger, I was afraid of flying and so my parents never took us on vacations outside the USA.

This summer things are going to be different. We're going to go on vacation to Jamaica. It's very exciting! We're staying for a few days in Kingston and then we're going to stay in Montego Bay. We've been very lucky because my boss has an apartment in Montego Bay and he's lending us the apartment for two weeks, so we can save some money!

The kids are very excited! Gabriel has saved money to buy new sneakers and sunglasses for the trip and Sebastian is organizing things for the flight. I think he's already downloaded three movies for the flight!

1 Who is Leandro's youngest son? _____

2 Where did Leandro and his wife first meet? _____

3 What jobs has Leandro had? _____

4 Why hasn't Leandro been outside the USA before? _____

5 Where are they going to go in Jamaica? _____

N Read the article. Circle *True* or *False* for each statement.

Vietnam

Vietnam is a country in Southeast Asia. I've been to this country many times, but I never get bored with it, because it has some of the most beautiful landscapes and cityscapes in the world.

The best time to visit

The rainy season in Vietnam is from May to September. In Southern Vietnam, the dry season lasts from December to late April, and the rainy season from May to December. The temperature during the day is between 20°C and 30 °c, but the hottest months are March, April and May and the temperature can be 40°C. In central Vietnam, the temperatures are cooler, and the rainy season is May to October. The coast in central Vietnam sometimes has typhoons. These are hurricanes with heavy rain.

How to get there

The main airport is Ho Chi Minh City. You can travel around the country by bus, train or plane. The flights are more expensive but they are much quicker. For example, if you travel from Hanoi to Ho Chi Minh City the flight is two hours and the train trip is about 32 to 35 hours, because the trains are slow and they stop a lot of times for people to get on and get off.

Things to do

Visit Ho Chi Minh City and Hanoi, the busiest and noisiest cities in Vietnam. Here you can meet the local people and eat delicious noodles from the food trucks.

Or visit Phong Nha-Ke Bang National Park. It's a beautiful park of green hills, valleys and caves. Then finish your stay on one of the beautiful wide beaches and take in the sunset.

1 The rainy season is shorter is southern Vietnam. True / False

2 The temperature is hotter in southern Vietnam. True / False

3 The only way to travel is by plane. True / False

4 The writer recommends different things to do in Vietnam. True / False
