Here Without You - 3 Doors Down

Basic II - Luiz Felipe

A hundred **days / mans** have made me older
Since the last time that **I / he** saw your pretty face
A thousand lies have made **me / you** colder
And I don't think I **may / can** look at this the same
But all the **tiles / miles** that separate
They disappear **now / know** when I'm dreaming of your face

CHORUS

I'm here without _____, baby
But **he's / you're** still on my lonely _____
I think about **he / you**, baby
And _____ dream about **you / I** all the time
I'm here without **you / he**, baby
But **he's / you're** still with me in _____ dreams
And tonight, it's only **he / you** and _____

The **miles / tiles** just keep rolling
As the people leave their way to **pay / say** hello
I've heard this **life / wife** is overrated
But I hope that it gets better as **they / we** go

CHORUS

Everything I **now / know**, and anywhere I go
It gets hard, but it won't take away _____ love
And when the last **two / one** falls, when it's all said and done
It gets hard, but it won't take away _____ love

CHORUS
