ALICE'S TIME WITH HER FAMILY

Read the text carefully and answer the questions.

Hi! My name is Alice. I am 9 years old.
I have a big family. I have very kind parents.

I often visit my grandma and grandpa.
They have a small house near a forest and a lake.
I love spending time there in spring, summer, autumn and winter. Every season is beautiful!

Grandma and Grandpa have two dachshunds.
Their names are Fani and Eli. They are very cute and funny! They can run very fast and they love to play.

In the morning, I get up and say "Good morning!".
I have breakfast with my family. Then I help Grandma in the garden. I water the flowers and pick some beautiful flowers. Grandma has a lot of flowers. They are near the house and in the garden.

In the afternoon, I ride my bicycle to the lake with Fani and Eli. Sometimes I read a book or speak English with Grandma. She thinks it is very important to speak English.

My friend Lily often visits me on weekends.
We sing songs, take photos of flowers and talk for hours. We can sing, laugh and have so much fun!

In the evening, we eat dinner together.
After dinner, we watch a movie or play cards.
I love these days because I am with my family.
They are my best friends!
I am very lucky to have such a wonderful life!
