

Přečti a poslechni si příběh:

In a country far away lives a king. He loves clothes.

One day two men come to the royal palace. They say they are tailors and they want to show the king their clothes.

Your Majesty, look at this red jacket ... this white shirt ... these black trousers ... and these blue shoes.

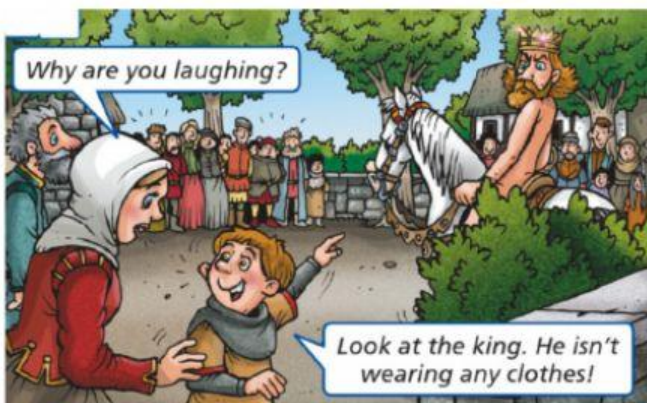

Are they holding any clothes? I can't see them, but I don't want to look stupid.

It's Saturday, and the Royal Show is starting. The king is on his white horse. The people are in the street. They know about the king's clothes.

Why are you laughing?

Why is everyone laughing at me? Are they all stupid?

Ha ha ha! The king isn't wearing any clothes!

Přelož věty do AJ:

Ten král miluje oblečení.

On vždycky nosí nádherné oblečení.

Jen chytrí lidé to mohou vidět.

Nechci vypadat hloupě.

Proč se směješ?
