Accidents & Injuries

✍🏻 WRITING ACTIVITY

Look at each picture and write what do you think happened and what should the person do now:

- I think...
- Maybe...
- It looks like...
- He/She probably...
- He/She might have...
- In my opinion...
- They should...
- They shouldn't...

It looks like this person has a bruised knee and scratches.

They should clean the area, put cream on it, and use a bandage.

I think this person fell from a bike.
