Smudge is so happy because they are all together.
It tells the kids: "I have a letter from the Queen.
She needs our help to solve a problem.
Her precious crown is missing."

Welcome to Buckingham Palace!
At seven o'clock the queen has her dinner.
Really? Seven o'clock! That's early- says Lucy. Yes, Lucy.
In England people have dinner at that time.

The seekers' troop arrives at London airport.
They receive a message from Smudge.
"The quickest way to go to the city centre is by tube.
You have to go underground.
Once you get to Victoria Station. I'll be waiting outside,
next to the main building. XX Smudge".

Let's have a look at the palace! Wow!
It's a very big place. Yes, it's huge!
Look! There are footprints in the corridor.
Mm.. What's in that room?
I don't know. Let me text the queen.
She says that it's the dogs' room. Let 's go inside.
