VOCABULARY PRACTICE – B1 LEVEL

Read the descriptions of the pictures. In each line, choose the correct word.

1. The desk in the picture is made of light wood and has a **drawer / desk mat** under the laptop.
There is a **plant / candle** on the left and a **pen holder / notebook** on the right.
The laptop is open, and you can see the **touchpad / charger** below the keyboard.
There are also some **sticky notes / headphones** next to the pen holder.
The room looks **cozy / bright** because of the lamp and natural light.

2. The headphones in the picture are **white / dark** and look very comfortable.
They are next to a **cup** of **tea / laptop** on a wooden desk.
There is a **candle / plant** burning and a soft **blanket / sticky notes** nearby.
This place looks perfect for reading or listening to music in **silence / mess**.
I **prefer / hide** this cozy atmosphere when it's cold outside.

3. There are many **plants / drawers** on the desk and on the windowsill.
The **laptop / notebook** is in the middle and is placed on a **desk mat / pen holder**.
You can see **sticky notes / charger** on the wall with some ideas written on them.
The pen **holder / drawer** is full of pens, pencils and scissors.
The room is **bright / dark** and feels productive but not too **messy / minimalist**.

4. The **drawer / desk** in the picture is open and full of useful things.
There are **sticky notes / headphones**, paper clips, pens and a small **notebook / plant**.
Everything is **tidy / messy** and easy to find.
I like to **hide / prefer** my things in the drawer so the desk looks clean.
This **minimalist / colourful** arrangement helps me stay organised.

5. It's evening and the room is **dark / bright**.
There is a **laptop / candle** on the desk, but the main light comes from a lamp and fairy lights.
The **plant / charger** on the shelf makes the room feel more alive.
I'm working in **silence / mess** because it helps me concentrate.
The atmosphere is **cozy / messy** and perfect for studying or thinking.
