FASHIONS – APPEARENCE STYLE AROUND THE WORLD .

People around the world **have got** different appearances and clothing styles. Every country **has got** its own traditions, climate, and fashion. Some people **have got** long, straight hair, while others **have got** short, curly hair. Many people **have got** brown or black eyes, but others **have got** blue or green eyes. Their clothes often reflect their culture and daily activities.

Today, fashion **is changing** very quickly. Many young people **are wearing** comfortable clothes such as jeans, sneakers, and T-shirts. In some countries, people **are choosing** colorful traditional clothes for festivals and special celebrations. In colder places, people **are wearing** warm coats, scarves, gloves, and boots because the weather **is getting** colder. In tropical countries, many people **are wearing** light shirts, shorts, dresses, and sandals because the weather **is staying** warm throughout the year.

Every culture **has got** its own unique style, and people **express** their personalities through the clothes they wear. Some people **prefer** formal clothes for work, while others **choose** casual outfits for everyday life. Designers **are creating** new fashion trends every season, and many people **are following** them. However, others **believe** that comfort is more important than fashion. Clothing **helps** people feel confident and **shows** their identity. No matter where people live, they **have got** their own way of dressing, and this diversity **makes** the world more interesting and beautiful.
