3. Reading Comprehension 3

My Dream School

*My dream school is a large and modern place. It has a huge gymnasium with a lot of modern equipment. Students can play indoor sports there. The school has a big computer room for computer science lessons. It also has a big swimming pool where students swim to stay healthy. Next to the swimming pool, there is a small playground. Students usually play with their friends there in the afternoon. I always want to study in a school like this because **it** is very interesting and fun.*
