Think about it!

Make a GRAPH

1 Look at the graph. What does it show?

Our Favorite After-School Activities

Play football	★★★★★
Read books	★★★
Draw pictures	★★★★
Play video games	★★
Listen to music	★★★★★★★

★ = 1 child

2 Look again. Find and complete.

1. _____ children like to play football.
2. _____ children like to read books.
3. _____ children like to draw pictures.
4. _____ children like to play video games.
5. _____ children like to listen to music.

3 Answer the questions. Write the number.

1. How many children like to play football? ☐
2. How many children like to read books? ☐
3. How many children like to draw pictures? ☐
4. How many children like to play video games? ☐
5. How many children like to listen to music? ☐

4 Tick (✓) the box that shows the most popular activity.

- ☐ Play football
- ☐ Read books
- ☐ Draw pictures
- ☐ Play video games
- ☐ Listen to music

5 Make your own graph!
Survey 5 friends. Then make a graph like the one in #1.
