THE MISSING CAT

Aina loved her pet cat, Snowy. One evening, she could not find Snowy anywhere in the house. She looked in the kitchen, the living room and the garden, but Snowy was not there.

Aina felt worried and asked her brother to help her. Together, they searched around the neighbourhood. After an hour, they heard a soft 'meow' coming from a tree near the playground.

Snowy was sitting on a branch and could not get down. Aina's brother carefully climbed the tree and carried Snowy to safety. Aina hugged her cat and thanked her brother for helping her. She was happy to have Snowy back.
