LKPD
(Student Worksheet)

Our Mangrove Conservation Project

Think • Investigate • Make a Difference

Part 3
INVESTIGATE

Group Name: _____

AI Fact-Checking
Can We Trust AI?

Ask AI a question about mangroves.
Then check the answer using a reliable source (book, website, or teacher).

1 My Question

Type your question about mangroves here.

2 AI says:

Write the answer from AI here.

3 My source says:

Write the answer from your reliable source here.

Fact-Check Tip

Use reliable sources, such as:

- School textbook
- Trusted websites (e.g. government, educational, or scientific sites)
- Your teacher

Not everything on the internet is true. Always check and think critically!

4 Are they the same?

☐ Yes ☐ No ☐ Partly

5 My conclusion:

I should / should not use the AI information because _____

_____

_____

Think before you trust!

Healthy Mangroves = Healthy Coast = A Brighter Future

Small actions make a big impact!
