Grade 1 Mathematics: Problem solving using equal sharing and grouping.

Addition, Subtraction and Sharing

Add the objects to find the total:

1.  2 + 3 =

2.  6 + 4 =

3.  + =

4.  + =

Subtract the objects to find the total number of items remaining:

5.  4 - 2 =

6.  8 - 3 =

7.  - =

8.  - =

Compare the two groups and determine the difference:

9. 
10. 
11. 
12.
