Hello from Thailand! My name is Alice and I'm eleven. I'm on holiday in Phuket with my family — my mum, my dad and my little brother Max. Phuket is a big island in the south of Thailand. It's very popular with tourists.

Our hotel is amazing! It's not far from the beach. Our room is on the fifth floor, and there is a big balcony with a great view of the sea. In the room there are two big beds, a sofa, a TV and a small fridge. There is no heating, of course — it's hot every day!

Next to the hotel there is a swimming pool with a slide. Max loves it! Every morning we have breakfast in the hotel café. I like mango with sticky rice — it's delicious!

In the afternoon we usually go to the beach. Dad and Max swim in the sea and I make sandcastles. Today we are going to a small island by boat. Dad says there are lots of colourful fish in the water there. In the evening we often walk along the street near the hotel and buy presents for our friends.

I love Thailand! See you soon, Alice.
