What are you wearing?

READ >>> Grammar in context

1 Read Bella's text message. What's Veronique wearing?

Hello from Cardiff, the capital of Wales. I'm sending you a photo of my classmates. We aren't studying today. We're having a day off. At the moment we're walking and shopping in the city centre. (I'm not shopping because I haven't got any money!) That's Claude with Eric. He's wearing the sweatshirt with the blue stripes. He usually wears sunglasses but he isn't wearing sunglasses now. Veronique's standing next to him. She's wearing white trousers.
