Summative Assessment Rubric

Criteria	3 – Excellent	2 – Satisfactory	1 – Needs Support
1. Country & Nationality Vocabulary	Correctly matches and uses all 6 target countries and nationalities without errors.	Correctly uses 4–5 countries and nationalities with minor spelling mistakes.	Identifies 3 or fewer countries/nationalities or confuses country with nationality.
2. Sentence Structure (Written & Oral)	Accurately produces *"Where are you from?"*, *"I am from..."*, and *"I am + nationality"*.	Produces target sentences with 1–2 minor omissions (e.g., missing *from* or *am*).	Needs constant visual prompts or produces only isolated words instead of sentences.
3. Oral Pronunciation & Clarity	Pronounces countries and nationalities clearly and speaks with confidence during the passport presentation.	Speaks understandably with minor hesitation or pronunciation errors that do not block meaning.	Pronunciation makes words difficult to understand; requires teacher repetition.
4. Task Completion & Presentation	Completes all three parts of the *World Passport* worksheet neatly and shares it on time.	Completes most of the worksheet with minor missing details.	Leaves major sections incomplete and needs one-on-one guidance to finish.
