Two years ago, I travelled to London to visit my sister with my son. It was a great trip, but sometimes it was quite stressful because we both have young children.

On our first day there, my sister took us to the Natural History Museum. My son saw the dinosaurs and loved it! He was absolutely ……..! It was a ……. experience for him. His cousin did not like the dinosaurs at all. In fact, he was …….and wanted to go home!

On the second day we decided to go to a park and have a picnic. We went early in the afternoon, but it was…….! I had to put on my coat because I was so cold. When it was time for the picnic, we realised that we had forgotten the sandwiches and only brought fruit! The kids were starving and we had nothing for them except apples and strawberries! My sister was …….. with me because I forget the food in the kitchen. We had to leave the park and find a coffee shop for sandwiches. By the time we got home we were all …….because we walked for nearly 4 hours.
