HUMAN POSSIBILITIES

Excerpt from *Gattaca*, Andrew NICCOL (1997)

Read the text (handout) and answer the following questions in your own words. Sent it to the teacher when finished.

1. Where are Maria and Antonio? What are Maria and Antonio doing there?

2. How many embryos are there left after screening? What do learn about them?

3. Describe the child Maria and Antonio are likely to have.

4. Analyse the parents' reactions throughout the scene.

5. What aspects of gene manipulation are denounced here?
