WHEN I LOOK AT YOU
(MILEY CYRUS)

Everybody needs _____

Everybody needs a _____

A beautiful melody

When the night's so _____

'Cause there is no _____

That this life is easy

Yeah, when my world is _____ apart

And there's no light to break up the

_____

That's when I, I, I look at you

When the _____ are flooding the shore

And I can't find my _____ home anymore

That's when I, I, I look at you

When I look at you

I see _____

I see the _____

You love me for who I am

Like the stars hold the _____

Right there where they _____

And I know I'm not alone

Yeah, when my _____ is falling apart

And there's no light to _____ the dark

That's when I, I, I look at you

When the waves are _____the shore

And I can't find my way home anymore

That's when I, I, I look at you

You _____ just like a dream to me

Just like kaleidoscope colors that

Cover me all I need

Every _____ that I breathe

Don't you know? You're _____

When the waves are flooding the _____

And I can't find my way home _____

That's when I, I, I look at you

I look at you

And you appear just like a dream to me
