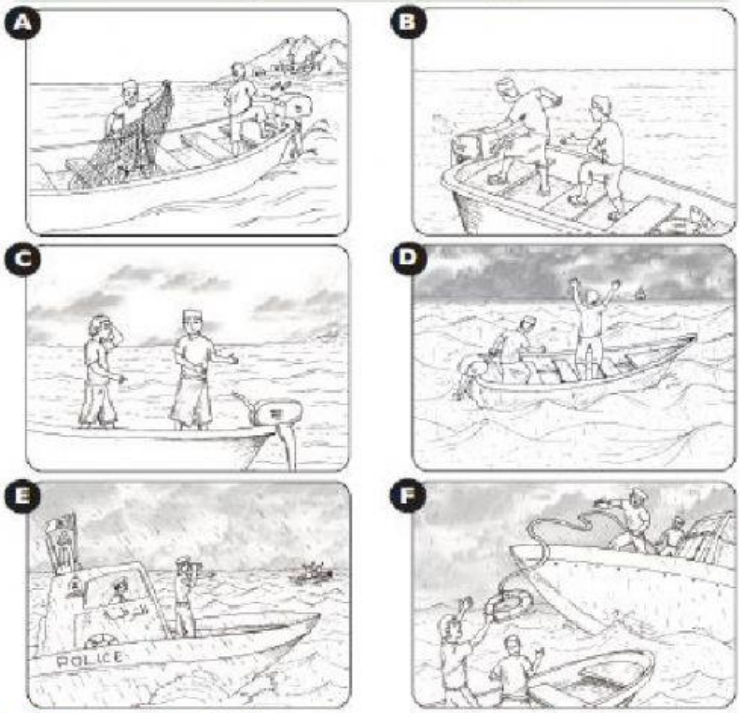
3 **Look at the words in the box below and the pictures. Discuss with a partner how you can create a story based on the words in the box and the pictures.**

Think about:

1. How you can use the words in the box to give you ideas for the story.
2. What details you can add to make the story more interesting and lively (what the weather was like, how the boys felt).
3. The verbs you are going to use. (Remember to put them into a past tense).

Rescue at Sea

broken engine	storm	drift	far from shore
binoculars	fishing boat	strong rope	in trouble



4 **Write a story of at least 100 words based on the pictures above and the words in the box. Refer to the Writing Guide on page 80 of your Workbook for help with layout and language.**

Binoculars strong rope drifted storm clouds began
