I love my family because it's special and big. Everybody is different and unique. My favorite person in my family is my uncle **Chris**. He lives in the North, in Washington D.C., the capital city of the United States. He is tall and smart. In his free time, he always plays the guitar. He loves classical music. I have two sisters and one brother. My older sister is 23 years old. Her name is **Rachel**. She doesn't live in my house. She lives in New York City and she is a secretary in a company. She works in an office. During the quarantine, she doesn't go to the office but she works in the living room, on the sofa. She uses her laptop. My little sister is **Anne**. She is adorable! She has long hair and is a very friendly girl. In this quarantine, my brother **Jim** and **Anne** sometimes play videogames in the afternoon. It's fun! My mom **Becky** is a chef at a restaurant. Her favorite food is pasta! She is an excellent cook! She usually cooks pasta at night. My grandma **Rose** and my grandpa **Tom** are very active people. They never stop. In the morning, they always get up, they have breakfast, and then, they go jogging in the park. They are 68 years old and they love running! When they finish running, grandpa Tom often relaxes and does yoga by a lake and the mountains in California. We are a happy family and we love to have fun!
